"POSSUM HUNTERS" ON THE WARPATH

Mob of Ruffians "Shoot-Up"
Mine Foreman's House
in Muhlenberg
County

THREE MEN UNDER ARREST

Greenville, Ky., July 13.—Marvin H. Knight, Marion Samples and E. W. Martin were arrested Thursday on warrants charging them with banding and confederating together for the purpose of intimidation. The warrants were issued at the instance of W. H. Chumley, foreman of the Beech Creek Mining company, which has a mine in this community. Chumley said he recognized the men arrested as members of an armed band of 150 men which surrounded his house at Beech Creek, a small mining village eight miles east of Greenville, last Monday night and sought to have him come out of the house. Just what the mob intended to do with Chumley if he had left his home is a matter of surmise.

"Possum Hunters" Perhaps

It is the general belief here that the mob that surrounded the Chumley home is identified with the so-called "possum hunters," whose depredations were the occasion of so much excitement in Muhlenberg county a few months ago.

The outbreak of lawlessness of which Chumley complains is among the worst that ever disgraced the county. Chumley says when he refused to come out of the house they shot it up to such extent that the wonder of it is that he and the members of his family were not riddled with bullets. As it was no one was hurt. Officers were notified and went to the scene of the trouble and after viewing the premises obtained statements from Chumley and others.

Appear at Mid-night

Chumley said that shortly after midnight he was called to the door and asked to come out by a large band of men. He refused to leave the house, whereupon he was informed that they were going to have him. Then the shooting began. The windows of the house, which is a large boarding house, were shot out, the doors shot through and the walls riddled with bullets. Chumley said that some of the men came upon the porch of the house and sought to get in, but he followed them keeping on the in-

side and threatening to kill the first who should enter. After failing to get him out, they then threatened to burn his house, he says, and tore off a part of the weather-boarding and called for kindling, when he informed them that he would get some of them by the light when they started the fire. They did not start the fire.

Notified to Leave

Chumley had been notified some weeks ago to leave the county by notices put up on his gate and signed by the "possum hunters," but has refused and now refuses to go. He knows of no special reason why the mob should be after him. A number of other depredations in the county have been committed recently, which are laid at the door of the organization, such as whipping men and threatening and intimidating them, and the facts of which are in the hands of the officers of the county.

Madisonville Notes

Mrs. William Forbes, who has been visiting her mother Mrs. J. D. Sory for the past week, has returned to her home in Hopkinsville.

Bailey Russell was in Dawson Saturday night.

Jack Holleman and Mac Lynch of Dawson, were in the city Saturday.

Mrs. M. K. Gordon and Miss Elizabeth Nisbet left Monday morning for Kansas to visit Miss Nisbet's father.

Mrs. Clara Brinkley was in the city Saturday afternoon.

Mrs. Iley Brinkley was in the city Saturday shopping.

Woodson Browning, of Henderson, was in the city Sunday.

Look Out For Them

E. R. Heffer, G. W. Robinson and W. A. Toombs mobilized to Nebo last Saturday night in response to an invitation from the Masonic lodge of that place, and assisted in conferring the first and third degree upon a couple of victims. They are publishing the kindness and hospitality of the Nebo brethren in capital letters and claim that they were treated like prime ministers and insist that the fatted calf, the robe and the ring played their part in the program. They won't say what time they left, but their late appearance on the streets next day justifies the conclusion that they sneaked in early Sunday morning. As they are in receipt of several invitations from neighboring lodges, it is impossible to say what community they will next prey upon, and to the unfortunates upon whom they descend. We extend sympathy in advance.

A Trip to Dawson

The trip to Dawson Springs Sunday July 12th, given by Miss Anna Hill and Miss Virginia Carnahan, in honor of their visitors, Miss Jessie Thomas Stewart, of Calhoun, Ky., Miss Cora Holmes and Chas. Coake, of Hopkinsville, was a most enjoyable affair of the season.

The jolly party arrived at the cliffs about 12:30 p. m. and a sumptuous dinner was served. Kodaking, auto riding and cliff climbing were enjoyed in the afternoon after which supper, ices and fruits were served. Those who enjoyed the trip were:

Misses Virginia Carnahan, Anna, Margarette and Lillian Hill, Jessie Stewart, Cora Holmes, Esther Carnahan; Messrs Hecla Foard, Olive Cobb, Mason Carnahan, Tom and Russian Naine, John DeVyllder and Charles Coake.

Thousands All Over Country Responding to "SOS" Wireless Sent Out by Churches

GO TO CHURCH!

Think for one minute what this world would be without churches. Are you doing your part to support them by your attendance? In recent years there had been a surprising falling off in church attendance figures. People stayed away from church—some because they had lost faith, but the great number simply because they had become apathetic. It was time that this apathy ceased. And it has to a large extent. With the advent of the GO TO CHURCH movement there has been a splendid awakening all over the country. Religion had only been dormant.

The GO TO CHURCH call found a ready response. New churches have sprung up in many quarters. The old churches, which for some time past were remarkable for their empty pews, suddenly took on new life. The pews were filled. Men and women who had not been to church in a decade came back to the fold. They brought with them others.

THE CHURCHES SENT OUT A "S O S" WIRELESS. NEWS-PAPERS HELPED. SO DID THE TELEPHONE AND TELEGRAPH COMPANIES. SO DID THE TRADESMEN. NOVEL IDEAS FOR WORKING UP ENTHUSIASM WERE PLENTIFUL. IN CHICAGO, FOR INSTANCE, FIFTY BARBERS IN SHOPS ON THE WEST SIDE WERE ENLISTED. THE PLAN OF INTERESTING THEM WAS HIT UPON BY A CLERGYMAN WHILE UNDERGOING A RAZOR OPERATION. HE ASKED THE BARBER TO REFER TO THE GO TO CHURCH MOVEMENT WHILE SHAVING HIS CUSTOMERS, AND THE ARTIST OF THE STROP CONSENTED. SHOP AFTER SHOP WAS VISITED UNTIL FIFTY AGREED TO SPEAK ABOUT THE MOVEMENT. THE PLAN WORKED WONDERFUL RESULTS. ALL THAT THE PEOPLE WANTED WAS A REMINDER. THE STORY OF CHICAGO IS THE STORY OF HUNDREDS OF OTHER PLACES. EVERYBODY HELPED THE THING ALONG. DO YOUR PART.

GO TO CHURCH!

Keep GOING TO CHURCH!

HOG CHOLERA PREVALENT IN KENTUCKY

Demonstrations to be Given at Kentucky Agricultural Experiment Station Every Monday

Hog cholera is very prevalent throughout the State of Kentucky, especially in those counties most devoted to hog raising. Every farmer should employ the best possible methods to avoid the ravages of this disease. Sanitary measures are of the greatest importance and often, if properly carried out, are sufficient to avoid an outbreak of cholera.

It is true that the disease is most prevalent in herds that are improperly nourished, but hog cholera is a specific disease caused by a specific micro-organism. Attention and care do not of themselves insure protection against the disease. Once present in the herd it spreads to the healthy animals and results in death of 70 to 100 per cent of the individuals. The weakened hog will more certainly die, and perfect surroundings and management are to be desired, but this does not confer a positive immunity. All infectious diseases require a specific anti-toxin to counteract the specific toxin; that is anti-hog cholera serum is not efficient in controlling lock jaw. Mere health does not of itself insure the presence or the development of a specific anti-body for any infectious disease. It has been observed in many herds under perfect care, that, on exposure to specific infection, the animals sicken with characteristic symptoms and on post-mortem reveal characteristic lesions of hog cholera.

The most reliable means of protecting hogs against hog cholera is in the use of anti-hog cholera serum at the proper time. Farmers are frequently not aware of the protection the State offers in such instances, and not infrequently we have received communications indicating that the serum treatment is not understood.

The loss of close to two million dollars in Kentucky last year from this disease warrants a careful study of this disease by every farmer. In order to talk to all parties interested in this subject, a demonstration will be given every Monday morning at the Kentucky Experiment Station, Lexington, for those who wish to familiarize themselves with the use of hog cholera serum.

So heavy have the demands for the serum been that equipment and buildings have been erected to triple the capacity of the laboratory. An earnest effort is being made by the Kentucky Agricultural Experiment Station to completely eradicate this disease. With effective regulations controlling infected herds and premises, together with the hearty co-operation of the farmers, this can be accomplished. Write for literature on this subject.

Davis - Long

Mr. and Mrs. Henry Goodloe Davis, of Madisonville, Ky., have announced the marriage of their daughter, Miss Mary Aileen Davis, to Mr. Walter Knox Long, of Pittsburgh. The wedding took place at the home of the bride's cousin, Mr. James L. Mason, and daughters, Misses Mary Daves and Lorna Doone Mason, 308 Hill street, Sewickley, on Thursday at four o'clock in the afternoon, in the presence of members of the immediate families only, the Rev. Herbert Agate, pastor of the First Baptist Church, of Sewickley, officiating. After the ceremony a luncheon was served, and the couple left on an Eastern trip. The house was decorated with palms, ferns, and pink roses. Miss Davis was a well known young society woman of Madisonville, she was connected with this paper, for four years, and last year was President of the Blue Stocking Club, one of the federated clubs of Kentucky. Mr. Long, formerly of Uniontown, Pa., is Secretary of the Tyler Underground Heating Co., of Pittsburgh, and until recently was associated with the Best Manufacturing Co., of Oakmont, for several years. The couple will be at home at 407 Denniston avenue, East End, Pittsburgh, after August 1st.

Hay Ride and Bacon Fry

A jolly bunch left the City Friday evening on a hay ride, chaperoned by Mrs. W. H. Whitford and Miss Margaret Mitchell. The party drove to Madisonville where they were joined by a Madisonville party at Spring Lake, chaperoned by Misses Isabel Gardner and Mary Louise Walker. The combined parties had a very delightful lunch of many good things to eat and spent quite an enjoyable evening together, after which, the Earlinton bunch returned home at a very late hour.

Those present to enjoy the evening's pleasure were: Mary Dulin, Winnie Hart, Ruth Barnhill, and Peyton Williams, Wm. Robinson, Rush Anderson, Harrison Clements, Jno. G. Morton, James B. Ross, Billie Shanks, Virgil Shanks and Dick Arnold, of Madisonville, and, Gladys Whitford, Sarah Featherston, Janie Foard, Aileen Fox, Laura Parker, Lena Davis, Earlinton, and Melba and Mabel Woodson, Humbolt, Tenn., and Anna Brayden Murphy, Springfield, Tenn., and Jack Whitford, Lonnie Deshon, Howard Arnold, Carl Umstead, Tommie Featherston, Rex Hamby, Arnold and Manon Oldham, "Red" Boyd and Robert Nourse, Earlinton.

The young people enjoyed the evening to the fullest extent and believe this good enough to remember the rest of the season.

Ex-Governor Beckham Speaks at Court

House in Madisonville Thursday
Afternoon at 1:30

Hon. J. C. W. Beckham, former governor of Kentucky, candidate for the democratic nomination for United States Senate, will address the voters of Hopkins County at the court house here next Thursday afternoon at 1:30 o'clock. Mr. Beckham has always had many admirers in Hopkins county, and no doubt a large crowd will greet the distinguished visitor here on that day. In the evening of the same day Mr. Beckham will address the voters of Dawson Springs at the auditorium at 8 o'clock.

McLeod Store Secures Good Man as Manager of Furniture Department

R. H. Royster, of Sebree, has accepted a position as manager of the Furniture and Stove department of the McLeod Store at Madisonville, beginning his labor July 1st. Mr. Royster has been in business at Sebree for the past eighteen years and suffered the loss of his business there on May 11th by fire. He is a thoroughly competent man having had much experience in his line. He comes well recommended not only as a good business man, but a consecrated christian gentleman having been closely identified with the Sunday School and church work in his home county for many years. We assure the people of Hopkins and adjoining counties that any business entrusted to his care will be highly appreciated and his dealings with the public will be on the square.

Kidney ailments relieved in Ear-

Mrs. Henry Clements, Earlington
Ky., says: "I was in such great
pain from kidney trouble that I had
to scream aloud. The pains seemed
more than I could endure. I don't
know what caused the trouble. My
back was sore and lame that I had
to catch ahold of chairs when walk-
ing. My limbs were swollen and my
sight became effected. I was also
nervous and dizzy and my head
ached nearly all the time. One day
a relative called on me and asked
me if I had ever tried Doan's Kid-
ney Pills. She said that if three
boxes of Doan's Kidney Pills did
not do any good, she would pay for
them and insisted so persistently
that I at last got some. They
made me feel much better in every
way. I believe that they saved my
life. I am now entirely cured and

The Telephone and Good Roads

The telephone goes hand in hand with good
roads.

The telephone overcomes many of the obsta-
cles of bad roads and makes it possible for the
farmer and other rural residents to transact busi-
ness in the city and with neighbors when the
roads are impassable.

Progressive farmers are insisting upon good
roads and telephones. These two agencies of
modern civilization are doing more than all others
toward eliminating the isolation of country life.

The Semi-Weekly Bee's GREEN RIVER TRIP

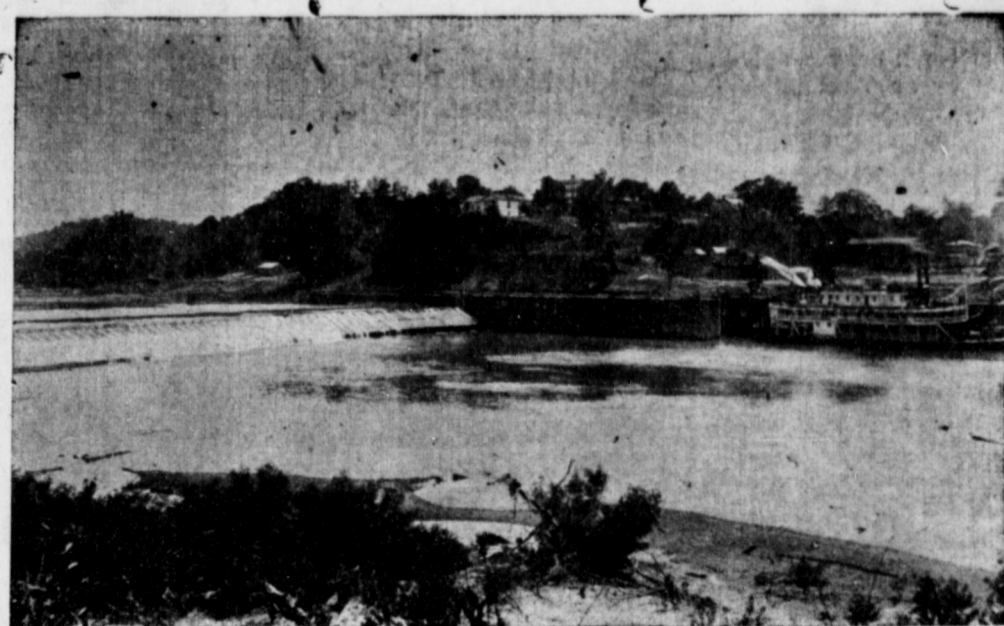

Will leave Earlington in a special coach Thursday, August 13th and will spend the afternoon in Evansville at the Salt Pool and Picture Shows. Will leave Evansville on the Steamer Bowling Green at 5 o'clock and make the 200 mile trip up Green and Barren Rivers, arriving at Bowling at 6 o'clock Saturday morning. Will leave Bowling Green about noon Saturday and reach Evansville Sunday night in time to have the special coach put on train 93. A String Band will accompany the party and plenty of good music will be furnished. This will be a good trip to take your camera on as you will be able to make pictures of the various locks, Sally's rock and many other interesting objects. The cost of the entire trip from start to finish will be \$12.50 and we guarantee an interesting and pleasant time. All who wish to take the trip with the contest winners may do so by sending in their name to this office

Find Fossilized Remains.
The fossilized remains of the head of an elephant were recently found by fishermen in a cliff at Bacton, on the Norfolk coast. The lower jaw was missing, but remains of what are supposed to have been tusks were found some time ago.—London Mail

WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eldon, Mo.—"I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been at that time purple in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."—Mrs. S. T. HURLEY, Eldon, Missouri.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. For sale everywhere. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it? Lydia E. Pinkham Medicine Co., Lynn, Mass.

A STATEMENT OF FACT...

**Nothing Is Better Than
The Best!**

FOR many years we have labored continuously and consistently with one great object in view -- to be known to everyone as the BEST store in this section of the county.

My customers tell me that I have long since achieved this distinction, that I have a reputation for selling only the best, and that even a child can buy here as safe and economically as its parent.

It is a reputation of which I am proud, and I am profoundly grateful to our thousands of customers for their constant and loyal patronage, which has made it possible for us to carve out such a reputation with a wise and discriminating buying public.

I cannot offer you anything "better than the best," which I already sell, but I can assure you that in the future I will endeavor to excel in my efforts to please you, and to give you the greatest possible values in every purchase.

Please continue to bear in mind that my GREAT LOOM-END SALE is now going on and my store has been full each day with most eager buyers. If you haven't BEEN, COME; and if you have BEEN, COME AGAIN. Never before in the history of Earlington has there been such a sale. I have the GOODS, I HAVE the PRICE, I HAVE the service that means something to the buying public of this county.
